Travel office issues alert for Center's weekend travelers

Employees who have official travel planned for Sunday and Monday need to submit travel orders as soon as possible. The American Express Travel Office will be working to get tickets prepared for all orders just in case bad weather keeps employees home later this week. AMEX also will provide 1-800 numbers for airlines so travelers can check departures and/or cancellations.

For inclement weather closure instructions, call 544-HELP, Option 5

Marshall Center's safety goal: Be No. 1 in safety within NASA!

VPP Rally set Feb. 3

Voluntary Protection Program (VPP) volunteers, points of contact and Center employees are invited to the VPP Rally from 8:30-10:30 a.m. Feb. 3 in Morris Auditorium. This is an opportunity for employees to learn the basics of Marshall's Safety Program/VPP, what you can do to help, status of action teams and upcoming events.

In this week's Marshall Star

- Shuttle Endeavour expected to launch Monday
- Marshall vacancies posted on OPM Web site
- Special events planned for February — Black History Month
- NASA scholarship applications available
